EDUCATION

Eastern Connecticut State University — B.S. Computer Science
Woodland Regional High School — High School Diploma

EXPERIENCE

SOFTWARE DEVELOPER, CGI INC. — 2019-2021

Developed software to meet customer requirements using agile methodology. Worked collaboratively with teammates and business partners to accurately define and meet the client's needs. Learned modern, evolving technologies to keep pace with the development workforce.

GRADUATE ASSISTANT, CCSU — 2022-2023

Algebra teaching assistant under professors Ann Spinelli and Karen Santoro. Attended class meetings to oversee classwork and help answer students' questions. Held office hours outside of class to reinforce lessons taught in lectures.

THEATER MANAGER, AMC THEATRES — 2022-PRESENT

Management of both day-to-day and big-picture theater operations- encompasses both daily responsibilities and strategic oversight. Duties include hiring and scheduling staff, operations, curating film programming, and overseeing food and beverage services. Focused on creating a healthy work environment by meeting crew and customer needs.

DATA ENTRY TECHNICIAN, YALE NEW HAVEN HOSPITAL — 2018 (TEMPORARY)

Input data for Ulrich Medical study regarding new CAT scan injector. Worked alongside CAT scan technicians for optimal scan and testing results.

IT DEPARTMENT, REGION 16 SCHOOL DISTRICT — 2014-2017 (SEASONAL)

Programmed computers for proper start-up and replaced old and broken computers. Set up computers throughout schools in preparation for the upcoming year.

ACTIVITIES

Coding Boot Camp — Volunteer at middle school alongside CGI.
Habitat for Humanity — Member, attended alternate spring break in Peoria, AZ.

SKILLS

- Python, Java, Javascript, R, Git, Gitlab, Matlab, ServSafe certified
